## OUR MISSION STATEMENT

**Gekko, Inc. will provide to its' customers  
Prompt and courteous service, superior product knowledge  
and quality products at a competitive price.**

Dear Customer

Founded in 1997, Gekko, Inc. is a privately held corporation serving the worldwide energy, petrochemical, refining, railroad, construction, mining, manufacturing and wholesale supply industries.

Gekko, Inc. offers an extensive range of commercial, industrial and technical purchasing and supply services. We provide industrial electrical equipment, oil drilling and production supplies, industrial machinery, electronic systems, specialty items, spare parts and manufacturing and operating consumables(MRO) for our customers worldwide. Included in these services are comprehensive global logistics, delivery, inspection and documentation solutions.

Our clients include oil and gas companies, refineries, chemical and petrochemical facilities, original equipment manufacturers, rig builders and operators, electrical and mechanical contractors, mine operators, utilities and international wholesalers.

We offer a wide assortment of products, allowing our various customers, located on every continent, the option to procure prices and equipment from us in a single quotation or shipment. When it comes to hard to find items, we are always ready to help to find your item or the right solution.

In addition to typical procurement and supply we offer a range of value added services and products including:

- Analysis of drawings, specifications and contract documents
- Product/compliance review
- Equipment and product recommendations
- Custom multiple manufacturer equipment packages
- Engineering coordination and support
- Multi-lingual support
- Consolidation of multiple orders
- Crating & Hazmat packing

We look forward to working with you.

Sincerely,

*Eric Gadin*
